

# BNAS 2017

International Conference on  
Bioethics in the  
New Age of Science 2017

# PROGRAM

4-5 May 2017  
Arad, Romania

## **WELCOME MESSAGE**

*The International Conference on “Bioethics in the New Age of Science” 2017 will offer participants a support for exploring ethical and legal problems in bioethics in the context of the new challenges generated by the scientific discoveries of the 21<sup>st</sup> century. The aim of the conference is to facilitate the multidisciplinary approach of bioethics, by gathering specialists from bioethics and its connected fields through the five main topics of the conference: bioethics and law; medical ethics; ethical aspects in research and biomedical technology; bioethics education; bioethics committees.*

*Our pleasant duty is to gratefully acknowledge the support of all those involved in the preparation of the conference and the program. Last but not least, we would like to thank the authors for their valuable contribution!*

*We wish all participants a pleasant stay in Arad  
and a successful conference!*
